The new 2011 committee members will start at the conclusion of this meeting

### **The below items were discussed in length and will be addressed in future meetings.**

#### **Monthly meeting:**

- Get word out better when meetings are (signs, email etc.).
- Consider executive meetings in evening rather than after golf in effort to get more participation and input.

#### **Membership:**

- Need to find ways to make membership more appealing.
- Have another Wednesday Fun Night, but do it earlier in the year and get ladies to invite new members and ladies who are currently not members of Association.

#### **Tuesday Play:**

- Have separate 9-hole play on Tuesday with same payouts as the 18-hole play.
- Increase membership so payouts do not need to be adjusted.
- Visit with ladies playing on Tuesday that are not members of the Association. Maybe get them interested in 9-hole play.
- Change to 3 flights instead of 4.

#### **Club Championship:**

- Some ladies expressed a desire to have winners receive a gift rather than Pro-Shop Credit.
- Do we declare a Senior Champion or just have a Club Champion? Earlene will have more information for us at a later date.
